Salesian Thought

**“Amongst all loves,
God's is so to be preferred
that we must always
stand prepared in mind
to forsake them all for that alone.”**

Straight from the heart of Fr. Peter Marie Mermier

**“God permits weakness in us
assuring us
that his grace is enough for us.
The means to obtain it is prayer.”**

Prayer Intention of the Superior General for the Month of June

That the Lord of the Harvest may send more spirit-filled young men to our Congregation to continue the mission of the Lord in the Fransalian way. We pray to the Lord.

From the Provincial's Desk

Fernando Martins, a member of Canons Regular of St. Augustine, desired to bring the Word of God to Africa. He joined the Order of the Franciscans, which was just eleven years old and took the name "Antony." Due to severe sickness, he had to discontinue his journey to Morocco, and then he landed in Sicily (Our confreres are working in this island), and was later sent to Romagna, Italy. His preaching began to bring thousands of people to God. Soon, he occupied the pulpit of several Churches, great places of the city and the beaches along the sea and preached the Word of God. It is said that at times there were about 30,000 listeners to his sermons. His preaching to the fish in Rimini moved the people of the town, including the heretics, to listen to his message. Antony had desired martyrdom in Africa, but the providence of God brought him to Italy where he discovered that preaching was his greatest gift from God. St. Antony continues to inspire us, not only by his efficacious preaching but also by his openness to the providence of God and His ways. Happy Feast of St. Antony of Padua.

God knows us better than we know ourselves. Trusting in God's guidance and leaning on his providence will enable us to discover ourselves. It can bring a rich contentment for the humans. When we believe that God knows what is best for us, and that His plans are perfect and purposeful, we will be able to embrace our future with confidence. "For my thoughts are not your thoughts, nor are your ways my ways, says the Lord. For as the heavens are higher than the earth, so are my ways higher than your ways and my thoughts than your thoughts" (Is 55:8-9). The way God leads us might look incomprehensible, but it is destined for good. This has been our experience in the last academic year. We thank Him for His wonderful guidance and amazing grace. As we look at the past with gratitude, I would like to express my appreciation and thankfulness to all the confreres for the wonderful and committed service in the parishes, formation houses and institutions. I appreciate and thank all our Fathers who took efforts to collect finance for the Province, and those who helped the administration by being part of various study committees. Their active role such as these, eases the work of the provincial administration.

As we step into another academic year, perhaps in a new place, with new parishioners or with new batches of students or in a new type of ministry, we place our trust in God and are open to His providence. For every house is built by someone, but the builder of all things is God (Heb 3:4). I wish all of you a new and refreshed start, accompanied by God's presence.

Live-in Program

Coming together offers free therapy for the heart. We wish to revive our spirit, refresh our mind and facilitate more interaction among the confreres. **17th July 2024** offers us with this opportunity to come together at the Provincial House, Trichy. The day is not designed with any seminar or discussion. Instead, it will be decorated with some fun-filled programs including morale boosting competitions. It will nurture our relationship and promote belongingness. Kindly ensure that you are part of this day and play your role to make our life colourful.

Organizers for the Day: Fr. Johnson Jeyabal (Convener), Fr. Vincent Sahaya Raj, Fr. Santhanam, Fr. D. Jayakumar and Fr. J. Michael Raja

Purchase of Two Pieces of Land in Malawi

We are happy to inform all our confreres that we have purchased 7.6 acres of land which lies about 17 km away from Lilongwe, the capital city of Malawi. The purpose is to have an Institute for on-going formation for priests and religious, as requested by the Archbishop of Lilongwe. We have also bought 7.3 acres of land, which is about 10 km distant from Kameme. It is bought in view of supporting our community at St. Augustine of Hippo Parish at Kameme, mainly through cultivation. I thank Fr. S. Soosai Raj, the Mission Superior, Fr. Anantha Raj, the Mission Bursar and the Fathers in Malawi for their painstaking effort to look for a land for several months and succeeding in it.

Media Director of the Province

Fr. A. Christu Raj is appointed as the Media Director of the Province. He will be the incharge of official YouTube channel of the Province. We wish him all the best and a fruitful ministry.

To Reflect

“The quiet words of the wise are more to be heeded than the shouting of a ruler among fools. Wisdom is better than weapons of war, but one bugler destroys much good.”

Ecclesiastes 10: 17-18

Translation
